THINGS TO DO ON THE NSW SOUTH COAST

From its unspoiled coastlines and magnificent beaches to mouth-watering food and sumptuous wine, the New South Wales South Coast is the ideal location for an unforgettable wedding.

Whether you're in the mood for adventure or just want to kick back and enjoy the peace and quiet while sampling delicious local produce, the south coast has you covered.

Kiama

Just a 90-minute drive from Sydney, the stunning seaside town of Kiama is a must-see for visitors to the region. Most famous for the Kiama Blowhole, a natural rock formation that majestically spurts water up to 20 meters in the air, here you'll find some of the most popular beaches on the south coast, including Surf Beach, Kendalls Beach and Easts Beach.

Ideal for lovers of natural beauty, the Kiama Coastal Walk takes you on a 22-kilometre hike where you'll be wowed by the incredible headlands, rivers and beaches, all the way to Blowhole Point and Werri Beach. Outdoor activities abound, with fishing, kayaking, surfing and bodyboarding all popular with locals and visitors alike, while golfers will enjoy the lush greens and impressive views from Kiama Golf Club.

Kiama is also the heart of shopping, food and wine in the region, with hip eateries, cute cafes, incredible bars, cellar doors and farmers markets showcasing the finest of the areas local produce. These charming markets offer a mouth-watering selection of local fruits and veggies, seafood, Wagyu beef, cheese, wine, cider, pastries and other gourmet goodies, as well as a range of eco-friendly and sustainable products. With a proud farming heritage and emphasis on locally sourced ingredients, Kiama is definitely one for the foodies.

Gerringong

Drive south from Kiama for just 10 minutes and you'll find yourself in gorgeous Gerringong, a delightful seaside town sitting on a dramatic, awe-inspiring headland (it's also home to Seacliff House, which commands one of the best positions for the most unforgettable views).

Gerringong is where nature takes the lead, blowing visitors away with its sublime beaches and lush wide-open spaces. Werri Beach is a hot spot for surfing and swimming, while the Werri Lagoon at the north end of the beach is a picturesque place to go kayaking, stand-up paddle boarding or fishing. The Boat Harbour Rock Pool is a favourite swimming spot with locals and the surrounding rock formations and nearby park make it a great location for romantic picnics. Golfers will be in awe of the Gerringong Golf Club which overlooks scenic Walkers Beach, while the whale watching platform above the Gerringong Headland cliffs is an exciting place to catch a glimpse of these awesome creatures.

For the vino lovers, Crooked River Wines is a must for wine and craft beer tastings in a jaw-dropping location, while a handful of high-end and casual eateries can also be found in the area.

Gerroa

Gerroa is a sleepy coastal village that lies at the mouth of the Crooked River and the northern end of Seven Mile Beach. This is the place to come if you really want to soak up the fresh air and enjoy some serious rest and relaxation with uninterrupted views of one of the regions most unspoiled beaches. Gerroa is a hot-spot for water sports enthusiasts, with kayaking, fishing, paddle boarding, wind surfing and kiteboarding amongst the activities that draw visitors to this area.

The Seven Mile Beach National Park is home to a diverse range of native flora and bird species, and you can take a stroll along several different walking trails to soak it all in. If you're lucky, you can even walk along the Gerroa Headland between May and November where you might spot whales migrating along the coast. A great spot for picnics, long walks and recharging.

Berry

Located inland in the Shoalhaven region, Berry is a historic country town that entices people with its charming mix of rolling green hills, sophisticated shopping, heritage buildings and sumptuous food and wine. Known as a blend between village charm and city style, Berry will draw you in with its natural beauty and then have you fall head over heels for its award-winning restaurants and boutique shopping, where you'll want more than a weekend to sample all the delicious goods on offer.

There's a lot to see and do here, and Berry is just as well suited to romantic, chilled out escapes as it is to those wanting a more active break. Enjoy the local galleries and museums, treat yourself to a gourmet picnic in one of many park areas, take a long drive through the hinterland to be wowed by the incredible scenic views, cycle leisurely through Agars Lane Roll or hit The Block if you're a more experienced rider.

There's absolutely no shortage of tempting food and drink options, so treat your taste buds to the remarkable range of fresh produce, bakeries, pubs, cafes, bars and restaurants, or go to the extra mile with a cooking class or food and wine tour.

SAMMY & LOLA

- **We've created a range of bespoke lighting options to make sure your epic event or super-select shindig is given the chance to shine as bright as it can**
- **We make it easy to get your glow on, with options including marquee lights (life-size illuminated letters) neon script signs (think Flashdance!) and festoon lights (fairy lights taken up a notch)**
- **We put the 'OO!' in mOOd lighting – our lights guarantee instant ambience, adjustable at the tweak of a dimmer switch to pump up or tone down the lux, at your leisure.**

Sammy and Lola is headed up by a husband and wife team who love a good party. Between them, they've been to more than their fair share, and they've talked at nauseating length about what makes a party or event go off like a frog in a sock, or fizzle sadly like a sparkler in the rain. The answer? Atmosphere.

So, after attending far too many dull and drab 'dos, Maryanne and Justin (the real-life Sammy and Lola) became purveyors of atmosphere, in the form of their deLIGHTful luminescent letters, signs, slogans and garlands. Justin brings the technical skills and Maryanne brings the design smarts, and together they hand-make all S&L products in their Sydney studio.

For an event of any scale, scope or style, Sammy and Lola will make it memorable.

Better yet, they'll make it LIT.

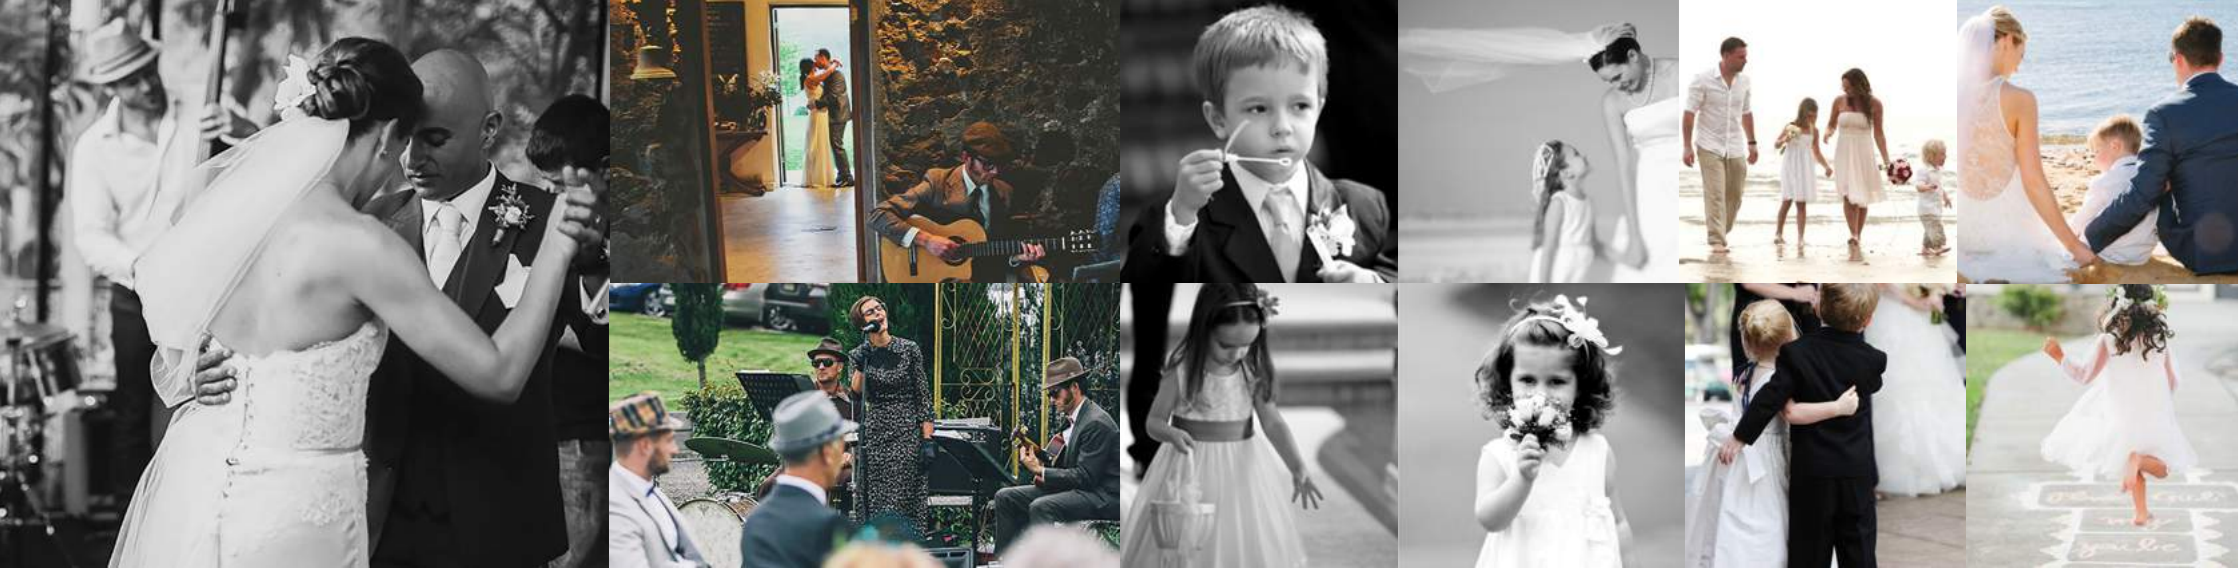

A Sydney,

- **A creative duo with an extensive background of travel and portraiture work, with a combined photography experience of 18 years**

First and Lasts is a South Coast photography studio run by two professional photographers, Killian and Noël, who share a passion for storytelling and creative documentation of weddings. TESTIMONIALS

"We cannot speak highly enough about our wedding experience at Seacliff House. From the moment we enquired about this property the professionalism of South Coast Holidays impressed us. This continued from start to perfect finish. The help regarding suppliers, multiple viewings and check in and check out times was invaluable. Seacliff House is simply stunning, we did not want to leave and felt we had a mini holiday before the actual honeymoon.

Breathtaking views, spacious, activities for everyone, modern decor and gorgeous atmosphere leant itself to completing the magical weekend. The reception in the newly converted barn was incredible and we were constantly impressed as to how much practical thought had gone into the design, working for caterers, band and guests alike I wish we could do it all again and thank you!"
